

Friends of Katepwa Provincial Park & File Hills Qu'Appelle Tribal Council

Invites the Public to Attend:

A Water Quality Meeting

Wednesday, August 20, 2014

Treaty 4 Governance Centre

Fort Qu'Appelle, SK

7pm

Guest Speakers

- Jim Harding, Mayor of Fort San
- Chief Todd Peigan of the Pasqua First Nation - who has compiled over 10 years of water data
- Dr. Peter Leavitt, a professor from the University of Regina who has studied the water in the Qu'Appelle river system for the past 20 years
- Dawn Pratt, a scientist with extensive knowledge about water tests and testing
 - Ken Hutchinson from the RM of Calling Lakes with information on the research that is being done at Lake Winnipeg

This meeting is a collaborative effort of “Friends of the Katepwa Park Provincial Park” and the File Hills Qu'Appelle Tribal Council. Please note this meeting is for all who care about the quality of our water.
